Kevin Kerney is back!!!

Residue by Michael McGarrity

(ISBN 9780393634358 \$25.95)

October 30th release

Former police chief Kevin Kerney returns—this time as the prime suspect in a brutal cold-case murder investigation.

Against the backdrop of the harsh desert and high mountain country of southwestern New Mexico, a high-octane quest for the truth untangles a complex history of dark family secrets, cold-blooded murders, rogue cops, a devastating plane crash, and the possibility of one family's reconciliation.

A long-unsolved missing person case becomes a homicide investigation when the bones of Kim Ward are unearthed in Las Cruces, New Mexico, forty-five years after her disappearance. Compelling forensic and anecdotal evidence quickly shifts suspicion to Ward's old college boyfriend: former Santa Fe Police Chief Kevin Kerney.

With damning evidence against him compiled by his own son, New Mexico State Police Lieutenant Clayton Istee, Kerney is arrested. He has no alibi and not a single witness to speak for him. Under intense media scrutiny and 24/7 police surveillance, Kerney must rely solely on the help of his wife, Sara, and a renowned criminal defense lawyer to discover if there are any remaining clues that can exonerate him or lead to the killer.

As the trio begins to reconstruct the events leading to Ward's murder, Istee reexamines his suspicions about Kerney's guilt and decides to risk everything to help prove his father's innocence. Working together to identify one person who can clear Kerney's name and expose the killer, the four soon discover that Ward's murder isn't the only crime to be solved.

Radio Flyer: 100 Years of America's Little Red Wagon (ISBN 9780062838995 \$24.99)

A visual history of one of childhood's most beloved icons—the Little Red Wagon—told through a rich collection of photos and stories that highlight its unique place in American culture

For generations, the Radio Flyer—the fire engine red wagon with the distinctive white logo emblazoned on its side—has fueled the imaginative adventures of children, transforming them into astronauts on a rocket ship to the moon, racecar drivers in the Indy 500, and pioneers traveling into the badlands of the Wild West. The Radio Flyer is the story of childhood—a story of wondrous journeys often accompanied by someone important: a parent, a sibling, a friend, a pet.

Since 1917, the family-owned business Radio Flyer Inc. has created this cherished wagon, building a legacy of high quality, timeless, and innovative toys that spark children's imaginations and inspire active play outdoors. With more than 100 million wagons sold—many of them passed down from generation to generation—Radio Flyers have carried, hauled, and fueled more hours of magical escapades than any other children's ride-on toy in America.

This beautifully designed and illustrated keepsake book pays homage to this cultural touchstone as it celebrates its first centenary and embarks on its second. Packed with 250 exclusive full-color and black-and-white illustrations, stories, and original drawings from the Radio Flyer Inc. archives, Radio Flyer chronicles the history of this popular brand for the first time. Radio Flyer's story is America's story—a story of an enterprising Italian immigrant's dream realized, and a testament to the value and strength of family ties.

Including a host of tender reminiscences from fans across the country, this touching tribute is a special piece of childhood, and the perfect gift for everyone who's ever loved a Little Red Wagon.
