Just Released

**Quiet Until the Thaw: A Novel by Alexandra Fuller**  
(ISBN 9780735223349 \$25.00)

*From Alexandra Fuller, author of the bestselling **Don't Let's Go to the Dogs Tonight** (ISBN 9780375758997 \$17.00) and **Leaving Before the Rains Come** (ISBN 9780143128427 \$17.00) comes a debut novel.*

Lakota Oglala Sioux Nation, South Dakota. Two Native American cousins, Rick Overlooking Horse and You Choose Watson, though bound by blood and by land, find themselves at odds as they grapple with the implications of their shared heritage. When escalating anger towards the injustices, historical and current, inflicted upon the Lakota people by the federal government leads to tribal divisions and infighting, the cousins go in separate directions: Rick chooses the path of peace; You Choose, violence.

Years pass, and as You Choose serves time in prison, Rick finds himself raising twin baby boys, orphaned at birth, in his meadow. As the twins mature from infants to young men, Rick immerses the boys within their ancestry, telling wonderful and terrible tales of how the whole world came to be, and affirming their place in the universe as the result of all who have come before and will come behind. But when You Choose returns to the reservation after three

decades behind bars, his anger manifests, forever disrupting the lives of Rick and the boys.

A complex tale that spans generations and geography, *Quiet Until the Thaw* conjures with the implications of an oppressed history, how we are bound not just to immediate family but to all who have come before and will come after us, and, most of all, to the notion that everything was always, and is always, connected. As Fuller writes, “The belief that we can be done with our past is a myth. The past is nudging at us constantly.”

### Releasing in October

From **Rupi Kaur**, the author of *Milk & Honey* (ISBN 9781449474256 \$14.99)

**The Sun & Her Flowers** (ISBN 9781449486792 \$16.99)

Rupi Kaur is a #1 New York Times bestselling author and illustrator of two collections of poetry. She started drawing at the age of five when her mother handed her a paintbrush and said-draw your heart out. Rupi views her life as an exploration of that artistic journey. After completing her degree in rhetoric and professional writing, she published her first collection of poems, *Milk and Honey*, in 2015, which quickly became an international best seller. It graced the New York Times bestseller list for over a year, selling over 1.5 million copies. *Milk and Honey* has been translated into over 23 languages. Her long-awaited untitled second collection continues her exploration with themes of love, loss, trauma, healing, and femininity. Along with writing and illustrating, Rupi has performed her poetry across the world. Her photography and art direction are warmly embraced and her poetry and prose are breaking international boundaries.

Mary Steenburgen is joining Diane Keaton, Jane Fonda and Candice Bergen **for Book Club**, the June Pictures comedy that marks the directorial debut of A Walk in the Woods writer-producer Bill Holderman. This is the project that was unveiled at Cannes this year, based on an original script by Holderman and Erin Simms.  
Set in and around California, the film revolves around four lifelong friends who read **50 Shades of Grey (ISBN 9780345803481 \$15.95)** in their monthly book club and have their lives changed forever. For these successful and intelligent women, this is not the type of book they typically read, but as they soon find out, inspiration can come in the most unlikely of places.

**The Complete Patrick Melrose Novels: Never Mind, Bad News, Some Hope, Mother's Milk, and At Last (ISBN 9781250069603 \$30.00)**

Jennifer Jason Leigh and Hugo Weaving have joined the cast of Showtime and Sky Atlantic's upcoming limited series "Melrose," Variety has learned.

Benedict Cumberbatch will star in and executive produce the series, which is based on the "Patrick Melrose" series of semi-autobiographical novels written by Edward St. Aubyn.

**Beautiful Animals by Lawrence Osborne (ISBN 9780553447378 \$25.00) – July 18<sup>th</sup> release**

The new novel from Lawrence Osborne, critically acclaimed author of **Hunters in the Dark (ISBN 9780553447361 \$16.00)**

On a hike during a white-hot summer break on the Greek island of Hydra, Naomi and Samantha make a startling discovery: a man, sleeping heavily, exposed to the elements, but still alive. Naomi, the daughter of a wealthy British art collector who has owned a villa in the exclusive hills for decades, convinces Sam, a younger American girl on vacation with her family, to help this stranger. But are Naomi's motives borne of altruism—he is, by all appearances, a refugee—or a more selfish desire to bring some excitement into her life? As the two young women learn more about the man and his past, their own burgeoning friendship takes a darker turn, and when a murder occurs on the island, a private investigator arrives and forces them to determine where their true loyalties lie.

In his new novel, a brilliantly atmospheric masterpiece that glows with the sparkling intensity of the Mediterranean sunshine, Osborne returns to the themes that made *The Forgiven* his critically acclaimed breakout novel: the class tensions between wealthy white Europeans and the natives and immigrants who serve them, and the way a violent incident can cause reverberations both psychic and cultural that lay bare our own hypocrisies.
