I Loved You More

By Tom Spanbauer

Tom Spanbauer's first novel in seven years is a love story triangle akin to *The Marriage Plot* and *Freedom*, only with a gay main character who charms gays and straights alike. *I Loved You More* is a rich, expansive tale of love, sex, and heartbreak, covering twenty-five years in the life of a striving, emotionally wounded writer.

Testimonials:

"Spanbauer relays from the start that Hank succumbs to cancer before he and Ben can make up the rift that springs from Ben's jealousy, so once the destruction unfolds in the final act, it happens at a riveting, fast pace. By turns poignant and funny, Spanbauer's story rings true at every turn." — **Publishers Weekly Starred Review**

Intelligence, wit, generosity, love, wisdom, insight, humility, guts, heart-crushing truth and spirit-lifting grace—it's all there in *I Loved You More*. This is Tom Spanbauer's wrenching and beautiful masterpiece. —**Cheryl Strayed, Wild: From Lost to Found on the Pacific Crest Trail**

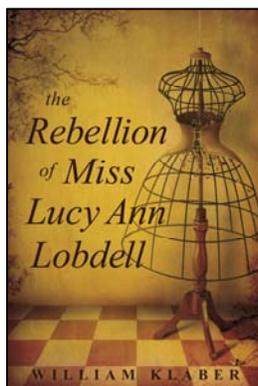

Mommy Man: How I Went from Mild-Mannered Geek to Gay Superdad

By Jerry Mahoney

As a teenager growing up in the 1980s, all Jerry Mahoney wanted was a nice, normal sham marriage: 2.5 kids and a frustrated, dissatisfied wife living in denial of her husband's sexuality. It seemed much more attainable and fulfilling than the alternative—coming out of the closet and making peace with the fact that he'd never have a family at all. Twenty years later, Jerry is living with his long-term boyfriend, Drew, and they're ready to take the plunge into parenthood. But how? Adoption? Surrogacy? Kidnapping? This endearing and humorous book tells of how two men built their 21st century family.
